CROSS

rug ●● 2017

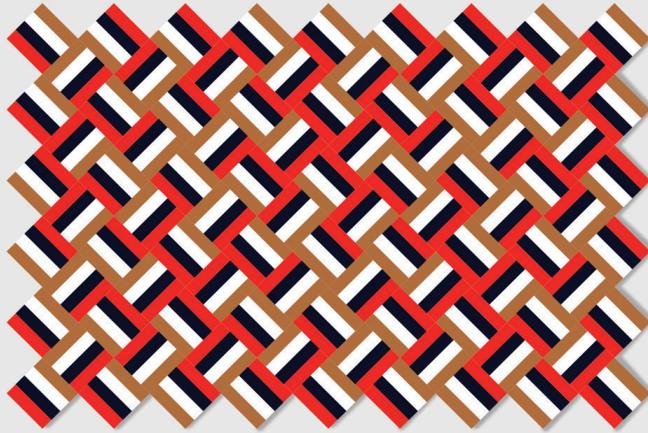

Cross is an innovative rug system with graphic lines. Inspired by a giant crossing of colorful stripes, it is made of different square units which layout and number will determinate the size and shape of the rug. The elegant mix of navy blue, bright red, white and camel as well as the best quality of wool and this unusual notched shape are all the elements that make Cross a perfect rug.

TECHNICAL INFORMATION

Delivery: 10 weeks
All rugs are handcrafted. Every rug is unique and there may be minor variations in size. Wool is dyed by hand in India and slight chromatic variations between a rug and another may be observed.

MAINTENANCE

Vacuum at least once a week (especially during the first months).
In case spill happens, use a sponge to remove as much liquid as possible, then use a lightly diluted detergent. Fully dry the rug with a clean cloth.

BESPOKE : With a minimum size of 3x3 units, create your own rug and find its dimensions and floor space (in square metres) thanks to the table below.
