

JACQUES-EMILE RUHLMANN

LALOU

table mirror  2015

THE MODERN GENTLEMEN'S VALET

Lalou was the first historic piece to join La Chance collection. Lalou was originally design in 1928 by Art Deco superstar Jacques Emile Ruhlmann.

The mirror is composed of three simple parts: a base, a structural piece for the back of the mirror, and the mirror itself. A simple, elegant and ingenious construction.

This clear –even blunt- approach is also a trademark of La Chance products. The Lalou mirror perfectly fits in La Chance collection and it is difficult to believe very graphic and pure design is 90 years old.
