THE MODERN GENTLEMEN'S VALET

Jeeves is a wall mounted valet named after the character in P.G. Wodehouse novels. This elegant piece is directly inspired by the traditional suit stand. La Chance re-interpreted this old-fashioned object for contemporary gentlemen (and ladies). In an entrance or a dressing room, Jeeves will welcome the finest jackets and suits in the most elegant way.

The designers

Gaston Tolila and Nicholas Gilliland are respectively French and American architects.

They worked together on cultural and humanitarian projects for 10 years while pursuing their careers in the most prestigious architecture studios before they finally decided to create their own studio in 2011.

La Chance

La Chance is a Paris based design company producing furniture, lighting, accessories, rugs and wallpaper with a strong and distinctive style.

La Chance gives a contemporary interpretation of the ornamental and decorative French furniture tradition rooted in the Art Deco period. The creations of La Chance share a sophisticated, rich and singular design based on noble materials. It is a come back to a warm and uninhibited luxury, breaking away from cold and conceptual design. La Chance produces investment pieces that will get a patina for the future generations to keep enjoying this contemporary family furniture.
