

MALIKA FAVRE

ORGIE

rug ♥♥ 2016

Orgie is a suggestive as well as a purely graphic rug. At first sight, the design seems abstract and reveals itself as you get closer and make out the shapes of interlocked bodies. Men and women mix and blend in an ambiguous combination of shapes and position. Orgie is also a comfy rug which invites to lay down and join the party.

The designer

Malika Favre is a French illustrator based in London since 2004. Her approach to illustration is about paring things down as much as possible. She tries and get to the essence of her subject, using as few lines and colours as it needs to convey the core of the idea. She loves to combine organic curves and unapologetic color palettes.
