ONE CENTURY OLD MODERNITY

JER is a wallpaper. The pattern was designed during the roaring twenties by Art Déco superstar Jacques Emile Ruhlmann. La Chance re edited this elegant and ultra-modern pattern and developed it in contemporary colors as well as in a classic black & white. The 'combs' create a graphic and hypnotic pattern.

The designer

Jacques Emile Rulhmann (1879–1933) was a major figure of the Art Déco movement.

He was both designer and decorator and he designed luxury interiors and furniture for his prestigious clients.

He created a revolutionary style but relied on the most traditional technics and noble materials. His pieces are still astonishingly modern, functional and elegant.

La Chance

La Chance is a Paris based design company producing furniture, lighting, accessories, rugs and wallpaper with a strong and distinctive style.

La Chance gives a contemporary interpretation of the ornamental and decorative French furniture tradition rooted in the Art Deco period. The creations of La Chance share a sophisticated, rich and singular design based on noble materials. It is a come back to a warm and uninhibited luxury, breaking away from cold and conceptual design. La Chance produces investment pieces that will get a patina for the future generations to keep enjoying this contemporary family furniture.
