SUNDAY
Bed ●● 2018

LAZY LIKE A SUNDAY MORNING

La Chance expands the collection and introduces its first bed. The result is a comfortable and elegant mix of marble, solid walnut and a luxurious «bouclette» from Maison Lelièvre.

Sunday is a family of dinner tables, coffee tables and consoles with a simple and sculptural design. The mix of heavy marble legs and a thin solid wood top creates an interesting contrast while the rounded edges and generous proportions provide a comforting feeling.

Sunday is all about the materials: 3 marbles and 2 woods are available in the collection while the bespoke program allows to imagine the most crazy and striking combinations of precious woods and exotic stones.
